Riverside County Supervisor Marion Ashley Endorses Lloyd White for State Senate

Respected Riverside County Supervisor Marion Ashley today endorsed Republican Lloyd White for State Senate in the open 23rd District that includes both Riverside and San Bernardino counties. Incumbent Republican Senator Mike Morrell is term limited and cannot seek re-election in 2020.

“I am proud to endorse Lloyd White for State Senate. He’s a proven tax fighter with the leadership needed to deliver results for our local communities,” declared Ashley, who represents many 23rd District residents on the County Board of Supervisors.

“As a Councilman in Beaumont, Lloyd White showed great skill in restoring integrity and sound financial management at City Hall,” continued Ashley. “He’s just the kind of Citizen Representative that taxpayers need at the State Capitol.”

“I’m honored to have the endorsement of Supervisor Ashley, who’s done so much for our local communities,” said White. “His support demonstrates the growing strength of my candidacy.”

Lloyd White is a Software Designer with ESRI, a leading technology company located in Redlands. He was elected to the Beaumont City Council in 2014 and re-elected in 2018. The 23rd State Senate District includes the Inland Empire communities of Banning, Beaumont, Big Bear Lake, Calimesa, Hemet, Highland, Lake Arrowhead, Loma Linda, Menifee, Phelan, Pinion Hills, Rancho Cucamonga, Redlands, San Bernardino, San Jacinto, Wrightwood and Yucaipa.
